KINGDOM SEEKERS INC. LETTER TO JUDGE

Dear Judge Drain,

This is an Informal letter. After detailed preparation of approvals and fees waived by the court to be registered to attend court as pro-se, self represented for the November 10th, 2021 hearing, for Case No. 18-23538, Kingdom Seekers Inc. was unable to attend, not by the fault of the claimant. Kingdom Seekers Inc. arrived at all opportunities provided to attend the hearing to sustain its claims, and was stopped from doing so.

Kingdom Seekers Inc. did utilize all opportunities provided by the court to be in attendance, in order to sustain our claims and burdens in light of the Objection's assertion that the claims at issue are entitled to administrative expenses, and priority status as applicable, and did not have a proper venue provided by the court, or fair opportunity to defend the position, and attend the hearing due to last minute changes, and incorrect information provided by the court, along with late notifications that blocked access to the hearing. Several technological access, and an incorrect clerical Zoom password error took place, not at the fault of Kingdom Seekers Inc. leaving the business no opportunity to defend their position in court. Therefore the Objection and the relief requested therein was not in accordance with 28 U.S.C. §§ 157(a)-(b) and 1334 and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.); and consideration of the Objection and the relief requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having entered the Order Approving (I) Claims Objection Procedures, (II) Claims Settlement Procedures, and (III) Claims Hearing Procedures (ECF No. 3014) (the "Claims Procedures Order"); and due and proper notice of the relief requested in the Objection having been provided in accordance with the Claims Procedures Order; and upon the Creditors Response to Debtors' Thirty-Sixth Omnibus-Objection to Claims (ECF No. 10031) submitted by Kingdom Seekers, Inc.;

The hearing was confirmed to proceed by a Court Hearings Solution email confirmation sent to me the day of the hearing at 8:16 am. Kingdom Seekers Inc. did log into the Court Solutions system and arrived at the hearing at approx. 9am on November 10th, 2021, and did wait for over an hour for court proceedings to begin. The status of the hearing stated that court had not begun and continued as such status.

Simultaneously, emails were checked and new registrations were attempted after speaking to Dorothy Li by phone, who then provided me with a login for a Listen Only Zoom Conference, by

Aron,

If you are self-represented (see below), a chapter 7/13 trustee, a member of the media or are otherwise a party entitled to a fee waiver pursuant to a standing order of the court, you must reply to this email with the following information for us to mark your account as fee waived:

1. Your name

2. Your position (e.g., trustee, pro se)

3. The name of the Judge overseeing your case(s).

We will mark you as a fee waived account and then you will be able to make a reservation and appearance.

You will NOT be able to make a reservation without replying to the email and receiving confirmation that your account is activated.

Self-represented means individuals who are representing themselves in their own bankruptcy matter. It is not for employees of entities or funds working on behalf of that entity. If you require further clarification, please contact us.

This policy may be revised without notice.

Aron,

Your participation for the following hearing has been APPROVED:

Hearing Name: Sears Holdings Corporation

Case No.: 18-23538

Date: 11/10/2021

Time: 10:00 AM EST

Status: Live Participation

Account Information:

Dial In: (646) 760-4600 (or any of the additional numbers listed below)

Cell Phone: (845) 471-2760

Pin Code: 913894

One touch dial in: 16467604600,8454712760,913894

Please Note:

1. There is no need to press pound at any point.

2. The court can place you on hold and mute you.
3. **You must be on your computer or tablet to unmute yourself through the Hearing Dashboard. There are no keypad controls on your phone.**

To log onto your Hearing Dashboard, please follow these steps:

1. From your computer or tablet, log into www.Court-Solutions.com and enter your email address and password. If you do not have your password, click "Forgot Password" on the Log In Page.
2. Click on the large orange button labeled "Open Hearing Dashboard." The dial in information noted above will appear here as well for your reference.
3. Once you have dialed in, your screen will refresh, and you will see the Hearing Dashboard. The Hearing Dashboard is a visual representation of everyone on the call and has controls to mute/unmute yourself, raise and lower your hand, and in some courts, share documents.

Please keep your phone muted when you are not speaking (e.g., press the mute button on your cell phone). It will reduce interference on the call and can be easily changed by you if you are not on the Hearing Dashboard.

When you dial in, if you hear nothing, it means that the court has opened the line and muted it. If you hear background noise, it means that the court has an open line and the hearing will begin shortly. If you hear music, the court has not yet started the call! Please mute your line when you join a call and make sure that you are in compliance with the Judge's rules.

Please note that your reservation request may be changed or altered by the court and its discretion. For example, a "Live" request may be returned as "Listen Only" or vice versa.

If you need to change or cancel your reservation, [click here](#) for further information.

This approval is for you and should not be shared with anyone else. If someone else dials into the call using your registered credentials (your cell phone number and your PIN), this will cause you to be kicked off of the call.

Also, if you give someone else your credentials, the system and the Judge will record that you are present at the hearing. Credentials are specific to people and can only be used by that one person, they cannot be shared.

To make any changes to your participation, please visit us at www.Court-Solutions.com.

Our additional dial in numbers, which work exactly the same as our main dial in number, are:

Thank you for registering with CourtSolutions. We have received your reservation request and notified the Judge. Once the Judge either approves or denies your request, you will receive a notification email from us. Until your reservation is approved by chambers, the request will be marked "Pending" when you are logged into your account.

Your dial in information will always be the same. The main dial in number is +1 646 760 4600 and you will find alternative numbers listed in your approval email.

When you call in, you will be asked to enter your registered 10-digit phone number (usually your cell phone number) and your 6-digit PIN.

When the Judge approves your request, these numbers will work for that call. They will also be in your approval email for reference.

Please note: If you are involved in a multi-day hearing, you will need to submit a reservation for each day of the hearing. If you have multiple hearings before the same Judge on the same day, you only need to make a single reservation.

For security reasons, you cannot unsubscribe from these notification emails.
